

Assessment Payment Options

rev March 2018

Your monthly assessment payment is due the 1st of every month and is late if not received by the 15th of that month. You will be charged a \$15.00 late fee for payments made after the 15th of the month.

Payment Options:

- 1) Pay with provided coupons, mailing your check made payable to Stone Curves COA, directly to Community Association Banc/Mutual of Omaha at PO Box 63215, Phoenix, AZ 85082-3215. Note your account number (i.e., your lot #) in the memo line.
- 2) Pay through your own bank's bill-pay service, your checks to be made payable to Stone Curves COA with your account number (i.e., your lot #) noted in the memo line. Most online bill-pay services generate a paper check which is mailed to Community Association Banc. Setting up the service you should allow 5 – 7 days for delivery.
- 3) Pay through direct debit. With a direct debit agreement, Community Association Banc withdraws the approved assessment amount from your bank account monthly. To enroll in direct debit, request the form via email from Belinda Taylor.

The advantages of direct debit (option 3) are that you avoid ever being assessed late fees and those who manage the financials for Stone Curves are not burdened with collection efforts should you overlook making a payment (option 1) or should a problem arise with your bill-pay service (option 2).

For any questions or concerns on your assessment payments, please contact Belinda Taylor.
