Rev. Sept 2016

### Mailbox Keys

When new mailboxes were installed in 2016 each unit was given 3 keys. Debbie Chastain [Debbie.chastain@ymail.com](mailto:Debbie.chastain@ymail.com) offered to be the keeper of your spare mailbox key. It seems like a good idea to have her hold your spare. Because. . . .

If you lose your mailbox keys and you've given your spare to Debbie, you can get that one back, get your mail, and have duplicate keys made. But, if your spare is lost too. . . .

Then you call the company that installed the boxes:

Rich Gerstel  
Exterior Systems  
520-742-2348

and he will change the lock on your mailbox. Rich says (as of Sept 2016) that changing the lock will cost you about \$65. You do, however, get three new keys (smile)
