

Obtaining a key to the Stone Curve Community Workshop: Any adult member of the community may obtain a key to the workshop, by requesting one from Dan Kruse in Village 4 by contacting him at [dgsccoho@aol.com](mailto:dgsccoho@aol.com), or at 520.327-1336.

Upon receiving a key to the workshop, each recipient is asked to sign a form acknowledging the following agreements, which were consensed upon by the community when the workshop was completed in 2010. Additionally, a list of all those holding a workshop key will be placed on the SC web site (members only page).
